

ABZA *santé*[®] drum

ALL-FIBRE DRUM RANGE

ABZA *santé*[®] drum characteristics

Designed for the agrifood and pharmaceutical industries

Abzasanté is a drum constructed totally **from fibre** without any metal parts, that conforms to the EC1935/2004 regulation

Adapted for contact with foodstuffs

Abzasanté is the response to an increased demand for **hygienic drums**
Production is performed on a **dedicated line**

100% recyclable

Like a cardboard box, this is a reassurance for users

Option: unused materials

Prevents any risk of contamination: Phthalates etc.
